- 2** The terms of this Agreement come into force immediately on acceptance of its terms by you and will remain in force until cancelled by us or you or replaced by a later version.

THE RANGE OF OUR ADVICE AND FINANCIAL PLANNING OBJECTIVES

- 4** We are permitted to give advice on mortgages, non-investment protection contracts and general insurance contracts.
- 5** For **Mortgages** we are **Independent** Mortgage Advisers and we will recommend a mortgage product that is suitable for you following an assessment of your personal needs and circumstances. This will include a detailed assessment of affordability.
- 6** For **Non-Investment Protection contracts** we are an **Intermediary** and will act on your behalf when providing advice and making our personal recommendation(s) to you. We will do this based on a fair and personal analysis of insurers for term assurance, income protection, critical illness.
- 7** For **General Insurance contracts** we are an **Intermediary** and will act on your behalf when recommending an insurer based on your demands and needs from a fair analysis of the market. The insurers we consider will be listed to you when we carry out our research. It will be your responsibility to ensure the policy meets your demands and needs for building and/or contents, private medical insurance, accident sickness and unemployment.
- 8** In order to provide you with personal financial advice and recommendations suitable for your particular circumstances we will undertake a 'fact find' to gather the appropriate information to assess your needs. We will then be able to set out clearly your financial planning objectives based on your stated objectives, acceptable level of mortgage and protection risk and any restrictions you wish to place on the type of policies you are willing to consider. Details of your stated objectives will be set out in a Suitability Report we will issue to you to confirm our recommendation. Unless confirmed in writing, to the contrary, we will assume that you do not wish to place any restrictions on the advice we give you.

- 9 We will consider all products and lenders that we have access to. This means we will not consider those lenders that are only available by you going direct to them.
- 10 Where you are increasing your borrowing we will consider the merits of both a new first charge mortgage and securing this by an additional mortgage on a second charge basis. You may have the option of a further advance from your existing lender, however, we will only consider this where we are able to deal directly with the lender on your behalf. It may be in your best interests to explore this option and look at the further alternative of an unsecured loan, as these may be more appropriate for you.
- 11 For **Non-Investment Protection contracts** we are an **Intermediary** and will act on your behalf when providing advice and making our personal recommendation(s) to you. We will do this based on a fair and personal analysis of insurers for term assurance, income protection, critical illness.
- 12 For **General Insurance contracts** we are an **Intermediary** and will act on your behalf when recommending an insurer based on your demands and needs from a fair analysis of the market. The insurers we consider will be listed to you when we carry out our research. It will be your responsibility to ensure the policy meets your demands and needs for building and/or contents, private medical insurance, accident sickness and unemployment.
- 13 It is important that any material facts given to us are accurate. If they are not, it may invalidate your plan/policy and also any claim made. The advice we give you will be based on the degree of risk you will accept. It is your responsibility to advise us on any changes.
- 14 We will forward to you all documents showing ownership of your policies as soon as practicable after we receive them. Where a number of documents relating to a series of transactions is involved, we will normally hold each document until the series is complete and then forward them to you.
- 15 We will outline from the outset whether our advice will cover your entire financial planning needs or focus on specific areas giving consideration to any restriction you place on our advice.
- 16 We require our clients to give us instructions in writing, or we may confirm our understanding in writing (by post or by email) in order to avoid possible disputes. This will usually be in the form of a proposal or application form. We will, however, accept oral instructions in certain instances provided they are subsequently confirmed in writing.
- 17 We will treat you in the same way as an **Investment Client** as determined by The FCA and afford you protection to the highest possible standard.

THE COST OF OUR SERVICES

- 18 You will pay for our services by either a fee or a combination of fee and/or fee by payment facilitation through product charging. We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid. For payment options relating to mortgage advice, please refer to section 19. For protection advice, please refer to paragraphs 20-23. Value Added Tax (VAT) may be payable on some or all of the work we do. We will inform you if VAT is applicable.

MORTGAGES

- 19 In accordance with the regulatory requirements, for providing mortgage advice there is:
 - A fee of £1,000 is payable on completion (of) a mortgage. More complex cases will incur a higher fee with a fair estimate provided at outset. We will also be paid commission from the lender. This amount will be confirmed by the lender in their disclosure document.

- As part of our process we view the commission rates from each of the lenders we have considered and this is available at your request.

PURE PROTECTION AND GENERAL INSURANCE PRODUCTS

- 20** If you buy a protection product you may elect that we are remunerated **by commission**. The commission is paid directly by the provider. Although you pay nothing up front that does not mean our service is free. The commission paid to us forms part of a 'product charge' which you pay when you purchase the product. Product charges pay for the product provider's own costs and any commission payable to third parties.
- 21** You may elect that we arrange for the protection premium to be discounted by the commission that otherwise might have been payable under the policy recommended. In this instance you will need to pay a fee appropriate to cover our advice and work, which we will agree beforehand.
- 22** The amount of commission we receive will vary depending on the type of policy and (sometimes) the term of the policy or your age, as in the following example:
- 23** If you were to pay £20 per month towards a Critical Illness policy we may receive commission of 0.73% of the sum assured £61,422 and 0.01% of the sum assured, roughly £6.00 every year after the fourth year.

Refund of Fees

- As mortgage fees are paid on completion no refunds are due.
- In respect of any regular premium policy which we may recommend, should you subsequently cease to pay premiums on the policy and as a result of your cancellation we are obliged to refund product charges or other commission that has been paid to us we reserve the right to charge you a fee representing the amount we have to repay, for a period of up to four years after commencement of the policy. We will not charge such fee if you exercise your right to cancel in accordance with the cancellation notice sent to you by the product provider.

ACCOUNTING TO YOU

- 24** We will make arrangements for all your contracts to be registered in your name unless you first instruct us otherwise in writing. You have a right to inspect copies of contract notes and entries in our records in relation to transactions on your behalf. In that request we reserve the right to give you copies of such documents rather than access to the original records.
- 25** We will forward to you all documents showing ownership of your policies as soon as practicable after we receive them. Where a number of documents relating to a series of transactions is involved, we will normally hold each document until the series is complete and then forward them to you.

For this purpose we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning.
